

Dear Purchaser:

We are pleased to provide you the Warranty Conditions that are applicable to new "JOHN DEERE" Agricultural, Golf & Turf, Commercial and Power Systems equipment("Equipment") sold by John Deere Asia (Singapore) Private Limited or its authorized dealer/distributor as per the conditions mentioned in the Warranty Conditions.

You will expect continued good performance from your Equipment by following below steps:

1. Read the Operator's Manual and Warranty Conditions;
2. Understand from John Deere authorized dealer the operation, maintenance and safety features of your Equipment; and
3. Keep Operator's Manual and Warranty Conditions for future reference and fill in the details of your Equipment on the last page.

For OEM Engine Purchaser-

Register your engine product using any of the following options. This registration helps us to stay in touch with our purchasers if future contact is required.

1. Online registration at:
<http://jdpswarrantyreg.deere.com/WarrantyReg/viewRegistration.do>
2. Request the John Deere dealer to make registration on your behalf; or
3. Follow instructions mentioned on Engine Warranty booklet.

Please sign a statement confirming that you have received Warranty Conditions and the Operator's Manual for the Equipment and understood completely the warranty requirements and you are satisfied about it.

For re-sell of Equipment-

If you re-sell your Equipment:

1. Ensure that the details are added to page 7; and
2. Communicate this information to the original selling John Deere dealer. This will enable us to track the Equipment for warranty purpose and any future Product Improvement Programs.

Please contact your local John Deere dealer, for any further clarification.

Yours sincerely,

John Deere Asia (Singapore) Private Limited

JOHN DEERE NEW EQUIPMENT WARRANTY CONDITIONS
 (“Warranty Conditions”)

A. GENERAL PROVISIONS

1. The warranties described below are made by John Deere Asia (Singapore) Private Limited (“John Deere”) and its authorized dealer (“John Deere Dealer”) to the original retail purchaser of new “JOHN DEERE” Agricultural, Golf & Turf, Commercial or OEM Engine products (“Equipment”) from any John Deere Dealer.
2. Warranty on Equipment is valid only in the country where Equipment is sold to the original retail purchaser. “New Equipment” means Equipment that has not been previously sold at retail and does not include replacement parts or merchandise.
3. Under these warranties, John Deere Dealer will repair or replace, at its discretion, any covered part which is found to be defective in material or workmanship during the applicable warranty term.
4. Warranty service must be performed by a John Deere Dealer or service centre authorized by John Deere to service the type of Equipment involved, which will use only new or remanufactured parts or components furnished by John Deere .
5. Warranty service will be performed without charge to the purchaser for parts and labour within the warranty period.
6. The authorized John Deere Dealer will repair or carry out replacement of the parts, which are proven defective within the warranty period in normal operation, proper use & service as per schedule mentioned in Operator’s Manual.
7. The purchaser will be responsible for any service call and/or transportation of the Equipment to and from John Deere Dealer’s place of business, for any premium charged for overtime labor requested by the purchaser and for maintenance not directly related to defects covered under the warranties below.

B. WHAT IS WARRANTED

1. All parts of new Equipment, subject to section C, are warranted for the number of months or operation hours specified below. In all cases where an option is given (e.g.12 months or 1500 hrs), the warranty is deemed to have expired if either of the options is completed.

This warranty commences on the Date of Delivery of Equipment to the original purchaser. A delayed start date for the activation of the warranty period may be requested through your John Deere Dealer at the time of the delivery on Harvesting, Seeding and Hay & Forage products. This is subject to approval by John Deere.

2. Parts Warranty: In case of any part defect, installed under any warranty, including replacement under an approved Product Improvement Program, due to material or workmanship, the John Deere Dealer will repair or replace, at its option, such approved part. Any defect in the approved part must be reported to the John Deere Dealer within 90 days of the installation or before the expiration of the applicable Equipment warranty, whichever is the later.

3. John Deere will not participate in any warranty arrangements made by a John Deere Dealer that are out of the scope of the warranty provided by John Deere and specified in Warranty Conditions. The warranty service for the defective tyres, tracks, tubes, batteries and injection system (together referred as "OEM Warranty Items") in the Equipment during the Equipment warranty period are not covered in this warranty. OEM Warranty Items are on the account of the manufacturer or manufacturer's authorized agent. Such manufacturer or manufacturer's authorized agent will determine the cost for replacing the aforementioned OEM Warranty Items on a pro-rated basis according to the age and/or usage of OEM Warranty Items if such defect is deemed to be from defective materials and workmanship.

C. EQUIPMENTS OUTSIDE THIS WARRANTY

(I) ITEMS COVERED SEPARATELY –

(1) Batteries, radios, tyres and sprayer controllers are warranted under separate warranty documents provided with each Equipment.

(2) Non-John Deere engines in self-propelled Forage Harvesters, other than model 7950, and windrowers are warranted separately by their respective manufacturer.

(3) John Deere is not responsible for Yanmar fuel injection pumps and nozzles during the original manufacturer's warranty period. When the pump manufacturer's warranty is less than the engine warranty, John Deere will provide warranty during the remainder of the original engine warranty term.

(4) John Deere Hand Held-Portable products are covered by a separate warranty.

(5) When applicable, a separate emissions warranty statement will be provided by John Deere Dealer.

(6) John Deere Walk Behind Snowthrower equipment is warranted under a separate warranty.

(II) WHAT IS NOT WARRANTED –

Pursuant to the terms of these warranties, John Deere is Not Responsible for:

(1) Used Equipment beyond the warranty period;

(2) Any Equipment that has been altered or modified in ways not approved by John Deere, including, but not limited to, setting injection pump fuel delivery above John Deere specifications, modification of Engine Control Unit and Diesel Exhaust Fluid system, and modifying combine grain tanks;

(3) Depreciation or damage caused by normal wear, lack of reasonable and proper maintenance, failure to follow operating instructions/recommendations; misuse, lack of proper protection during storage, vandalism, the elements or collision or accident;

(4) Normal maintenance parts and/or service, including but not limited to, oil, filters, coolants and conditioners, cutting parts, belts, brake and clutch linings;

(5) Equipment used for racing or other competitive purpose;

(6) Chains on Premium Balers; and

(7) Transmission, Engine and/or Hydraulic System(s); if the applicable fluid or fluids do not meet the minimum specification as directed by John Deere in the Operators Manual.

D. SECURING WARRANTY SERVICE

To secure warranty service, the purchaser must:

(1) Report the defect of the Equipment to the John Deere Dealer and request repair within the applicable warranty period;

(2) Present evidence of the warranty start date; and

(3) Make the Equipment in defect available to the John Deere Dealer or service center within a reasonable period of time.

E. NO IMPLIED WARRANTY, REPRESENTATION, CONDITION OR OTHER REMEDY

Nothing in this warranty is intended to execute, restrict or modify any provision of the law or statute if that cannot lawfully be affected. Otherwise to the fullest extent permitted, all terms, conditions, warranties, undertakings, duties or remedies implied by law or statute are excluded. Where permitted by law, neither John Deere nor any company affiliated with it makes any warranties, representations or promises, express or implied, collateral or antecedent, or otherwise, as to the quality or performance, or freedom from defect of any of its Equipment other than those set forth above, and NO IMPLIED WARRANTY OR MERCHANTABILITY OR FITNESS IS MADE.

F. LIMITATION OF LIABILITY

- (1) The only remedies the purchaser has in connection with the breach of performance of a warranty term or condition on the Equipment are those set forth in these Warranty Conditions or specified by statute and not capable of exclusion by Section E.
- (2) To the fullest extent permitted by law or statute neither John Deere nor John Deere Dealer shall be liable (in contract, tort or otherwise) in any event or manner for incidental or consequential damage or injury, including, but not limited to, loss of crops, loss of profits, rental or substitute equipment, or other commercial loss or personal injury or death howsoever caused and whether or not the result of negligence.
- (3) In any event the total liability of John Deere and John Deere Dealer for any breach of any term, condition or warranty, express or implied, which cannot lawfully be excluded is limited to the fullest extent permitted to one of the following as determined by John Deere:
 - The replacement of the defective parts or the supply (or payment of the cost of supply) of an equivalent substitute parts; or
 - The cost for repairing the parts from defect of any of its Equipment other than those set forth above, and NO IMPLIED WARRANTY OR MERCHANTABILITY OR FITNESS IS MADE.

G. NO DEALER WARRANTY

THE JOHN DEERE DEALER HAS NO AUTHORITY TO MAKE ANY REPRESENTATION OR PROMISE OR ADMISSION ON BEHALF OF JOHN DEERE. OR TO MODIFY THE TERMS OR LIMITATIONS OF THIS WARRANTY IN ANY WAY, THE JOHN DEERE DEALER IS NOT AN AGENCY OF JOHN DEERE.

H. PURCHASER'S RESPONSIBILITY

Read the Operator's Manual for the Equipment carefully to learn how to operate and service Equipment safely and correctly. Keep all safety guards and devices in place and operational. Failure to do so could result in personal injury or Equipment damage. Operator's Manuals are available in various languages; please contact your local John Deere Dealer for a manual in a language other than English, if necessary. Ensure that this Warranty Terms booklet has been understood and a statement has been signed to this effect.

I. THE TERMS OF THESE WARRANTIES SHALL SUPERSEDE ALL THE EARLIER AGREEMENTS, REPRESENTATIONS, TERMS MADE BY JOHN DEERE OR JOHN DEERE DEALERS.

J. If further information is desired; please contact the Selling Dealer or John Deere at the toll free numbers identified on the John Deere website. Go to http://www.deere.com/en_ASIA/regional_home.page and then Contact Us under the Our Company heading. If your country does not appear on the toll free number list, please use the Online Form to contact us.
